MUHAMMAD HUZAIFA

SEO Expert

Charsadda, Pakistan 03144116099 muhammadhuzaifasaadi@gmail.com

SUMMARY

Results-driven SEO expert with 2+ years of hands-on experience improving organic search visibility through keyword research, on-page optimization, technical audits, and link building. Experienced in working with international companies, using Rank Math, Ahrefs, SEO Site Checkup, and Screaming Frog, and skilled at turning SEO data into clear client reports.

EXPERIENCE

SEO Specialist 2 Years

SA Digital

- Researched high-value, low-competition keywords aligned with client goals.
- Optimized meta tags, headers, internal links, and content structure using Rank Math.
- Ran technical audits with Screaming Frog and SEO Site Checkup to fix crawl errors, broken links, and speed issues.
- Analyzed competitor backlinks and performance in Ahrefs to guide link-building and content strategy.
- Built quality backlinks through outreach to strengthen domain authority.
- Delivered regular SEO reports to clients with clear, actionable recommendations.

SEO Expert 1 Year

Apec Digital

- Performed keyword research and on-page optimization to improve client search rankings.
- Ran technical SEO audits and fixed site issues to improve crawlability and speed.
- Supported link building and tracked SEO performance for client reports.
